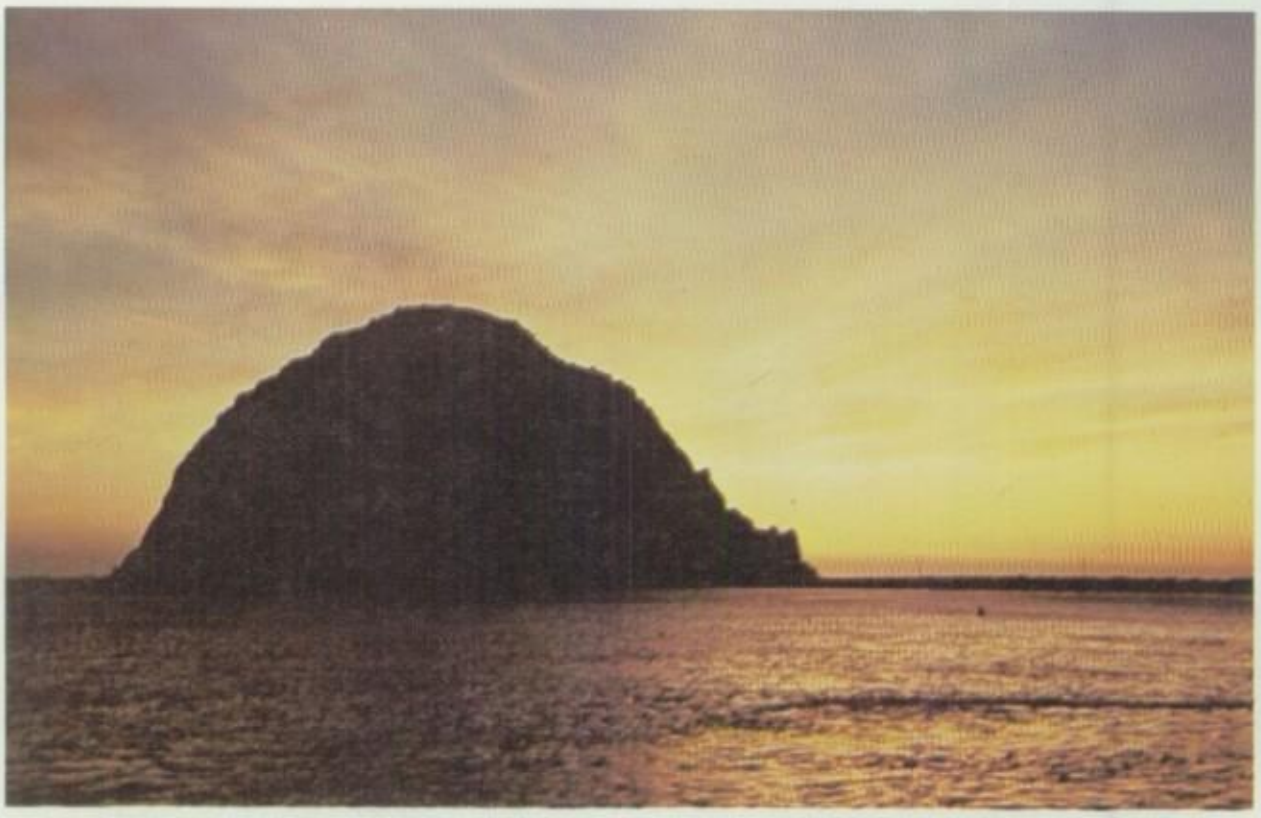
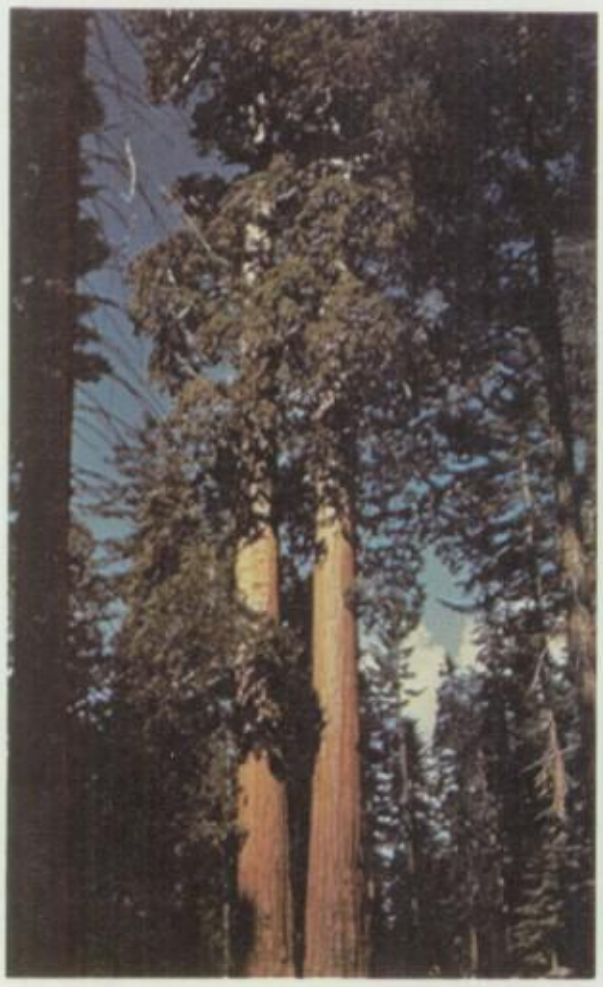
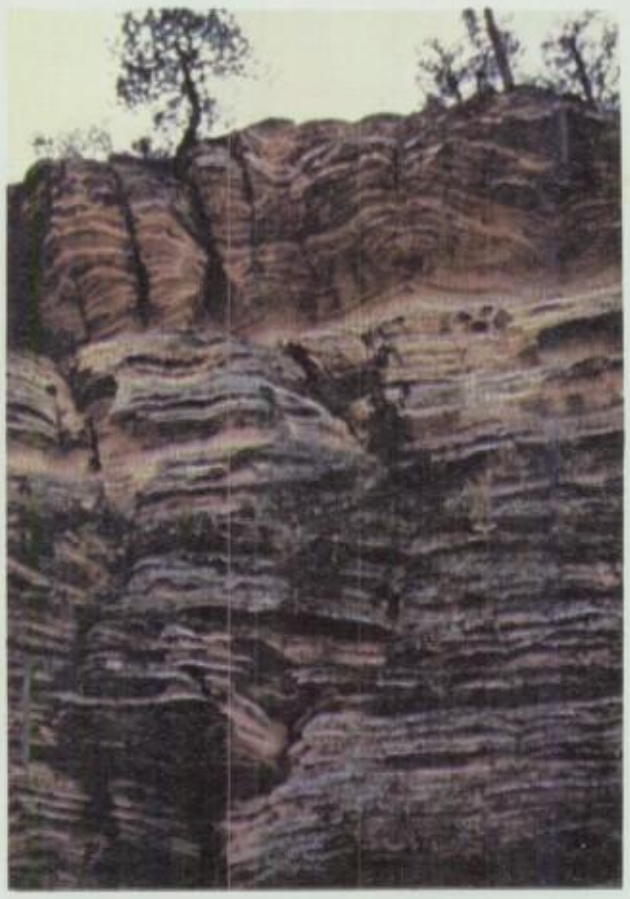
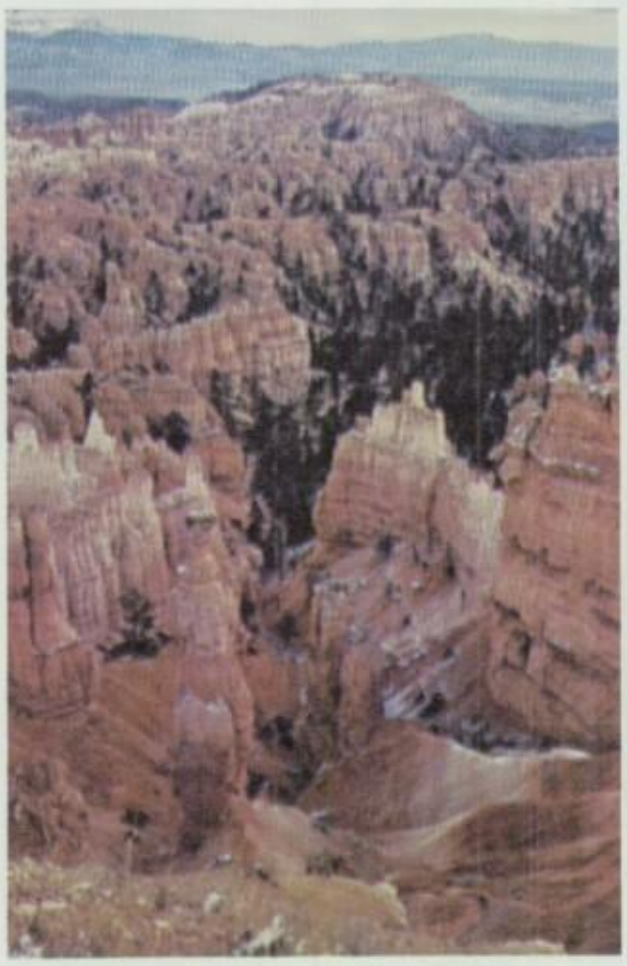
Time is . . .

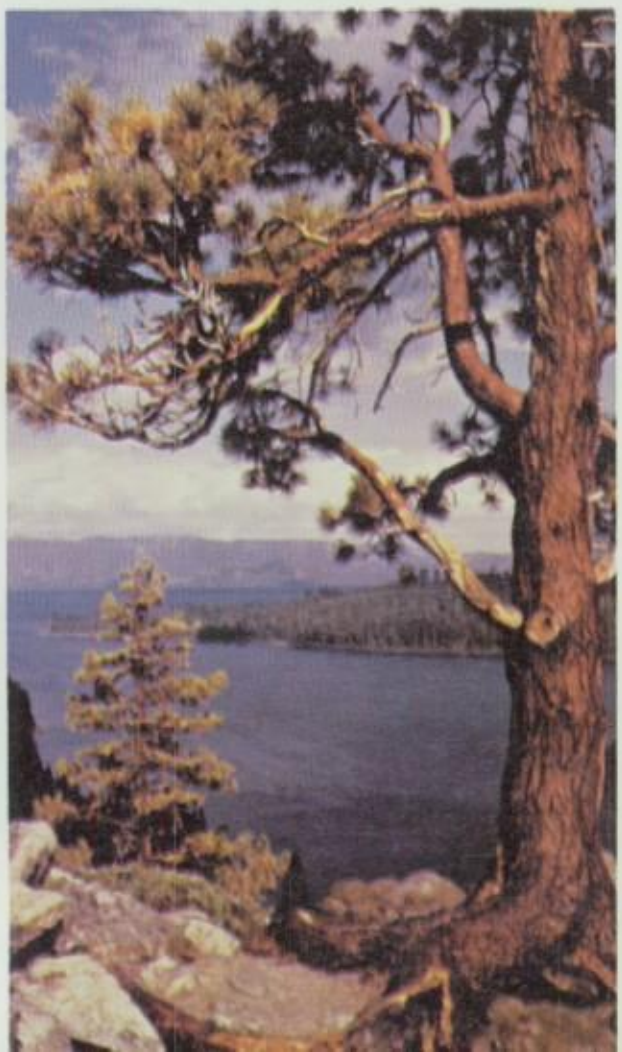
too slow for those who wait
too swift for those who fear
too long for those who grieve
too short for those who rejoice
but for those who love ...
Time is eternity.



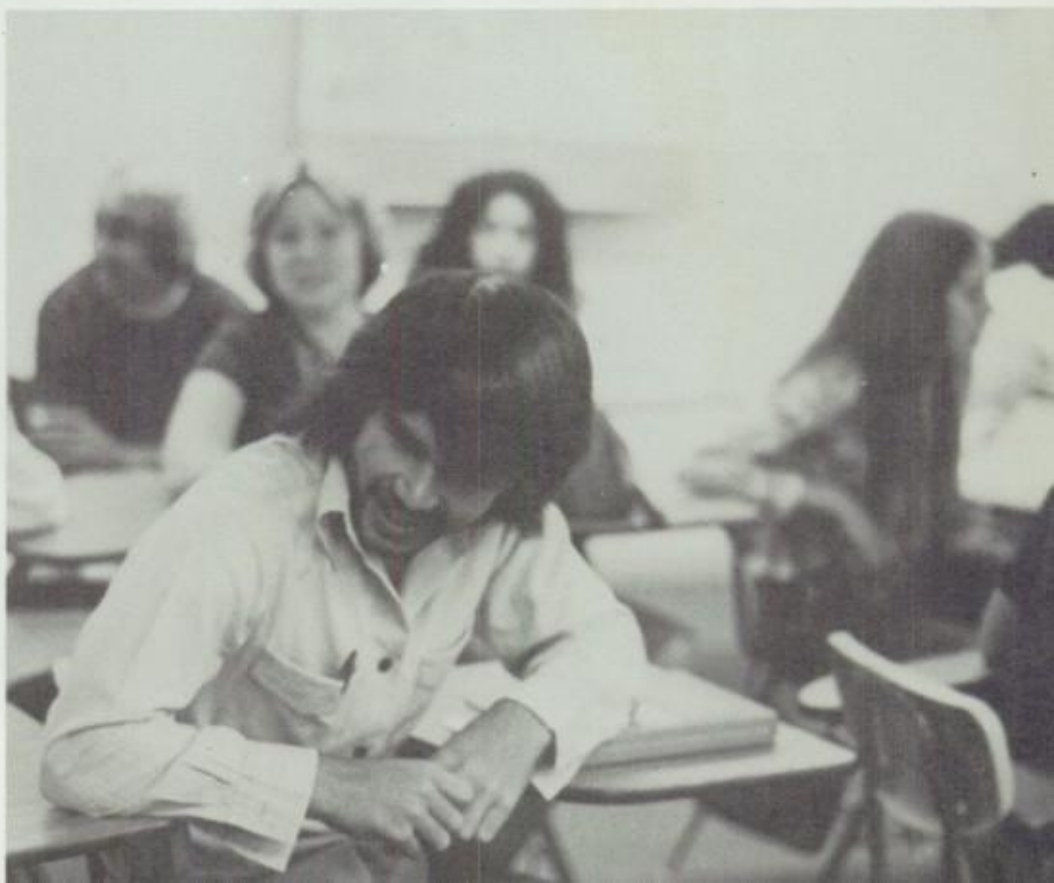


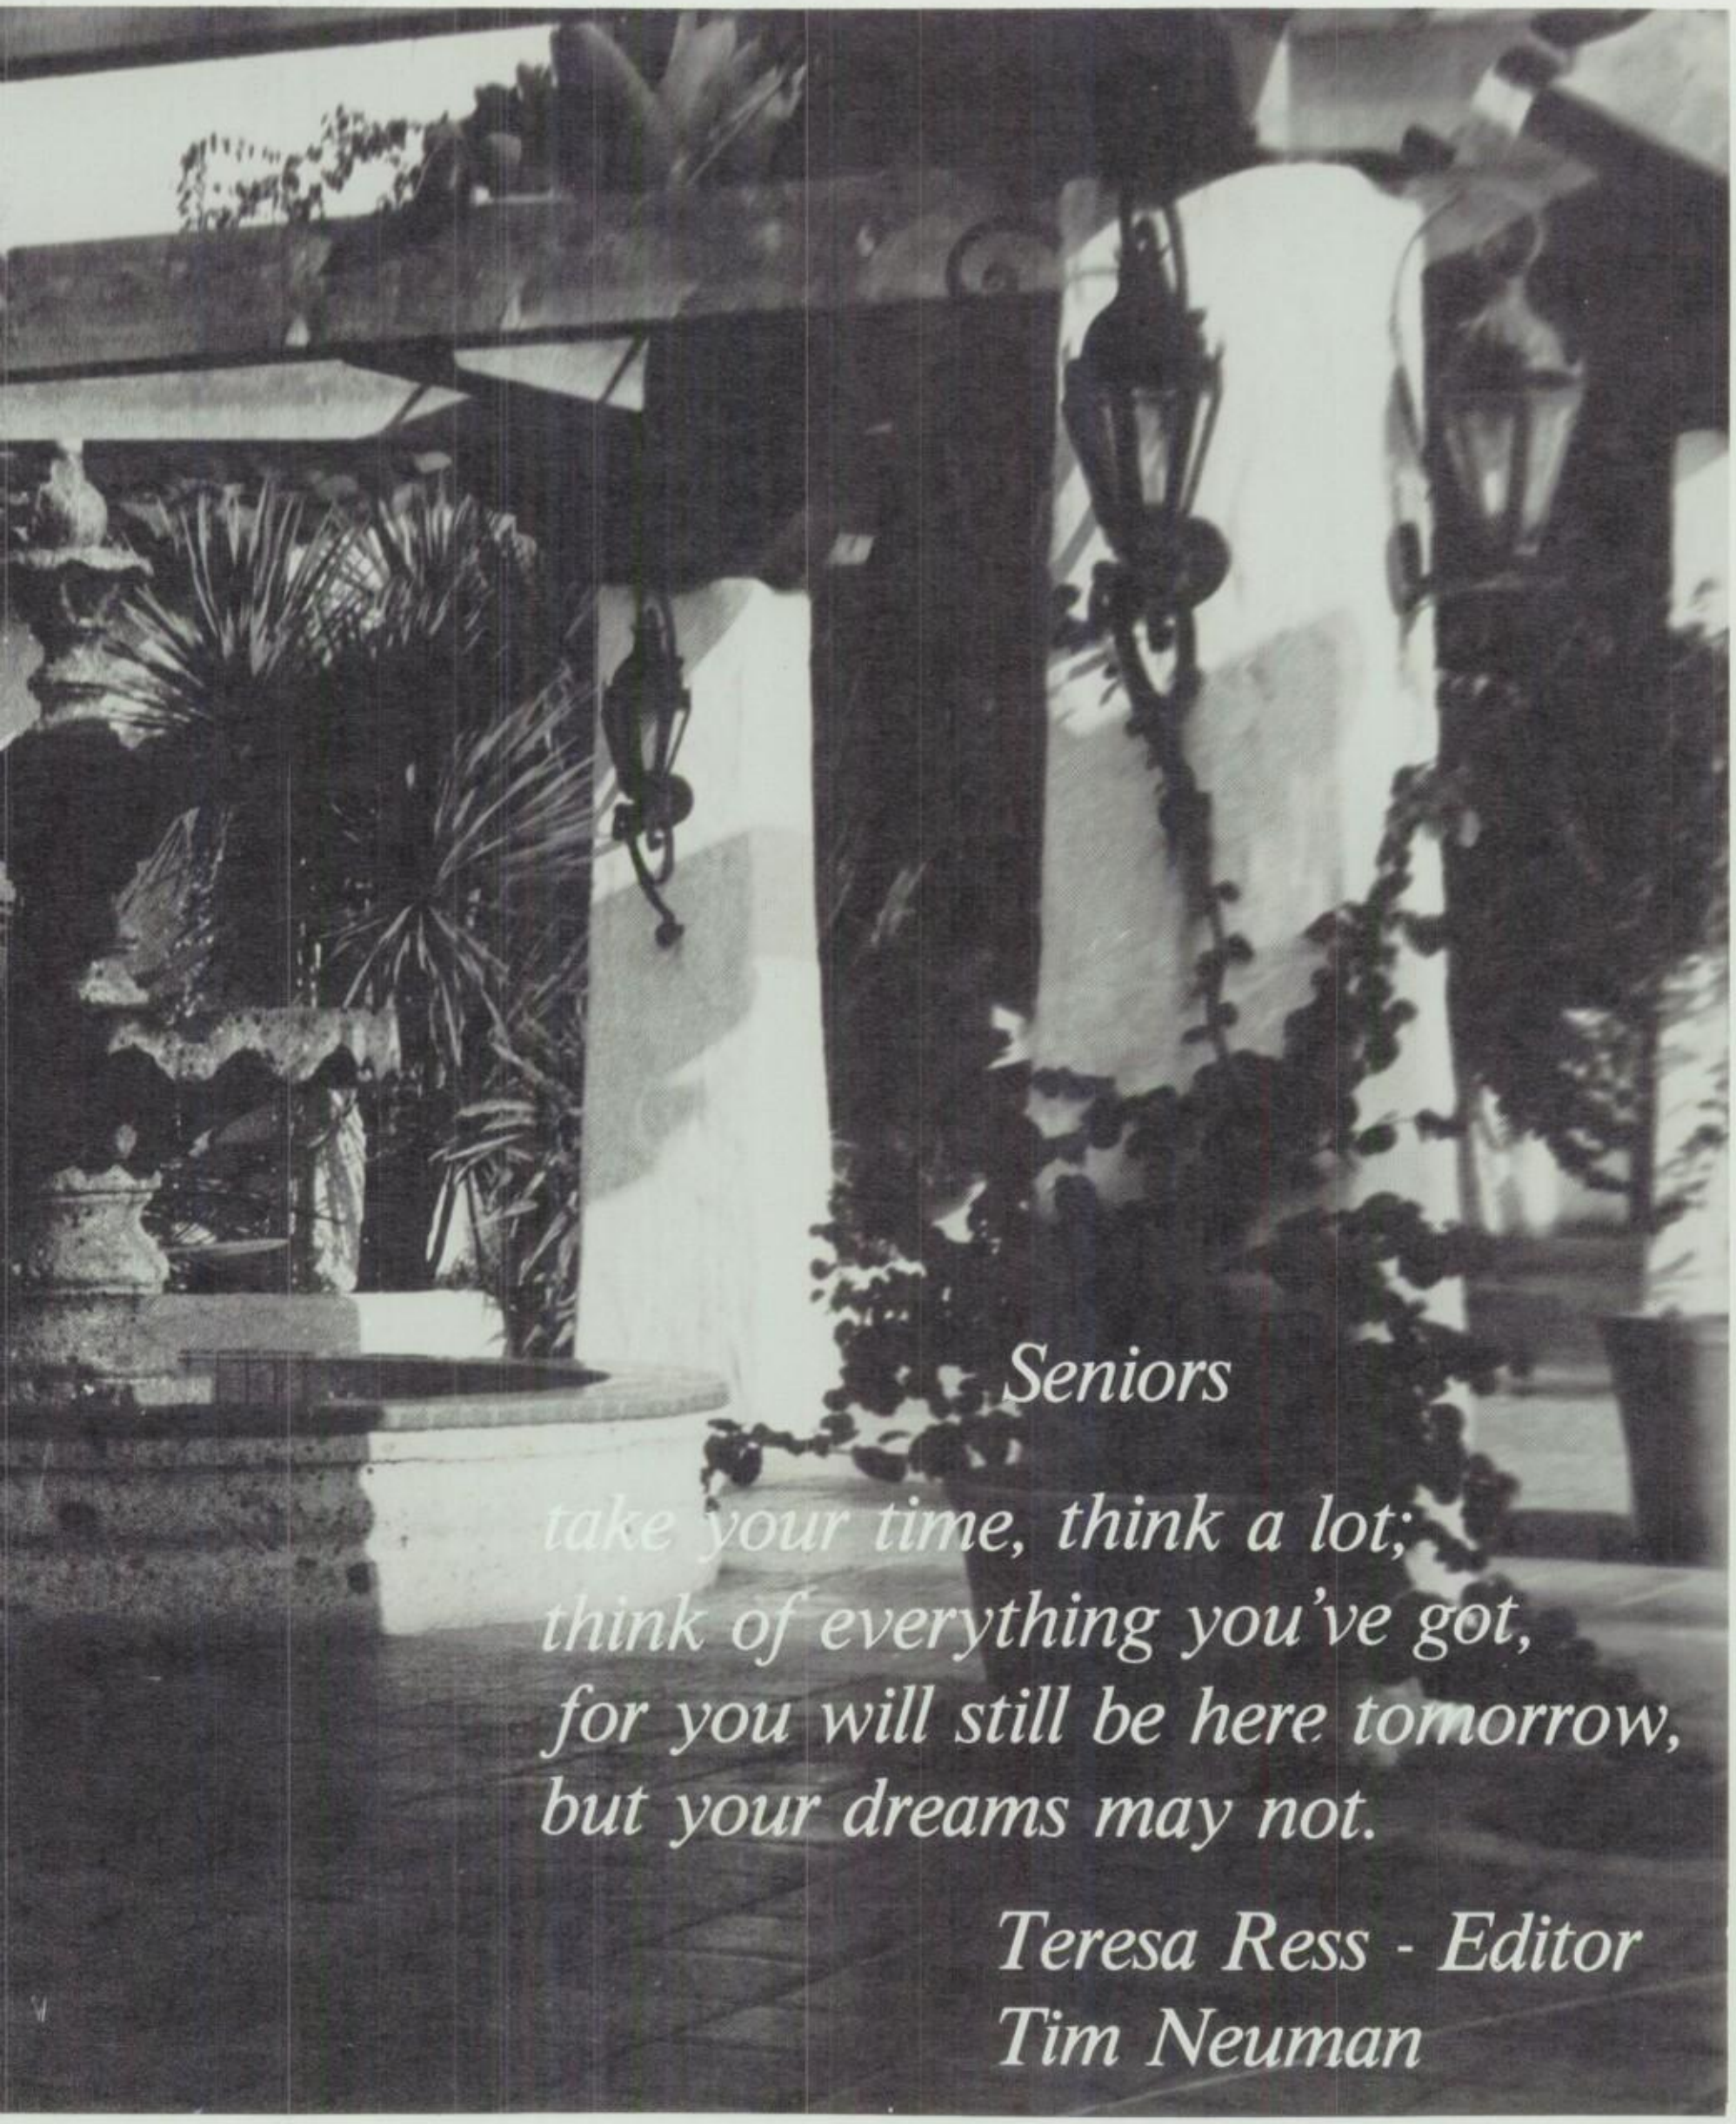






TIME IS ON OUR SIDE





Seniors

take your time, think a lot;
think of everything you've got,
for you will still be here tomorrow,
but your dreams may not.

Seniors - This is Our Time

The Class of '77 broke the string of unspirited senior classes by winning the spirit stick at pep assemblies. This spirit was exemplified by the numerous activities that the class had. Just to name a few, the class sponsored a Magic Mountain trip, dances, skating parties, and bake sales. The seniors also had the benefit of common unit among the members which helped in getting work done. The main goals of the year were to have a nice prom at very little cost to those in attendance and to earn hundreds of dollars to give to students in the form of scholarships to help meet college expenses and reward those who helped themselves by working for the Class of '77. STUDENT LIFE

It seems to me a crime
That we should age;
These fragile times should
Never slip us by.
A time you never can
Or shall erase.
As friends together
Watch our childhood fly.

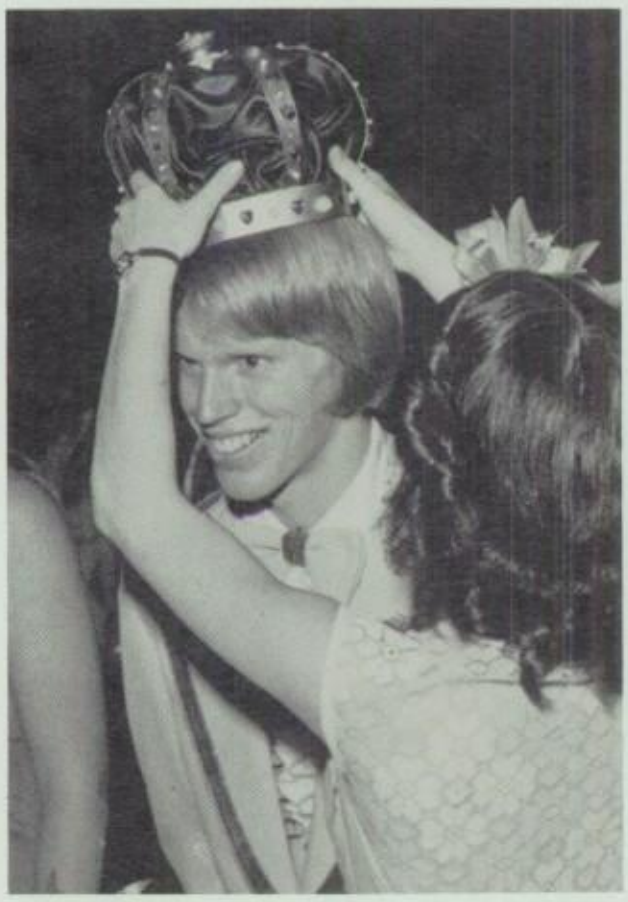
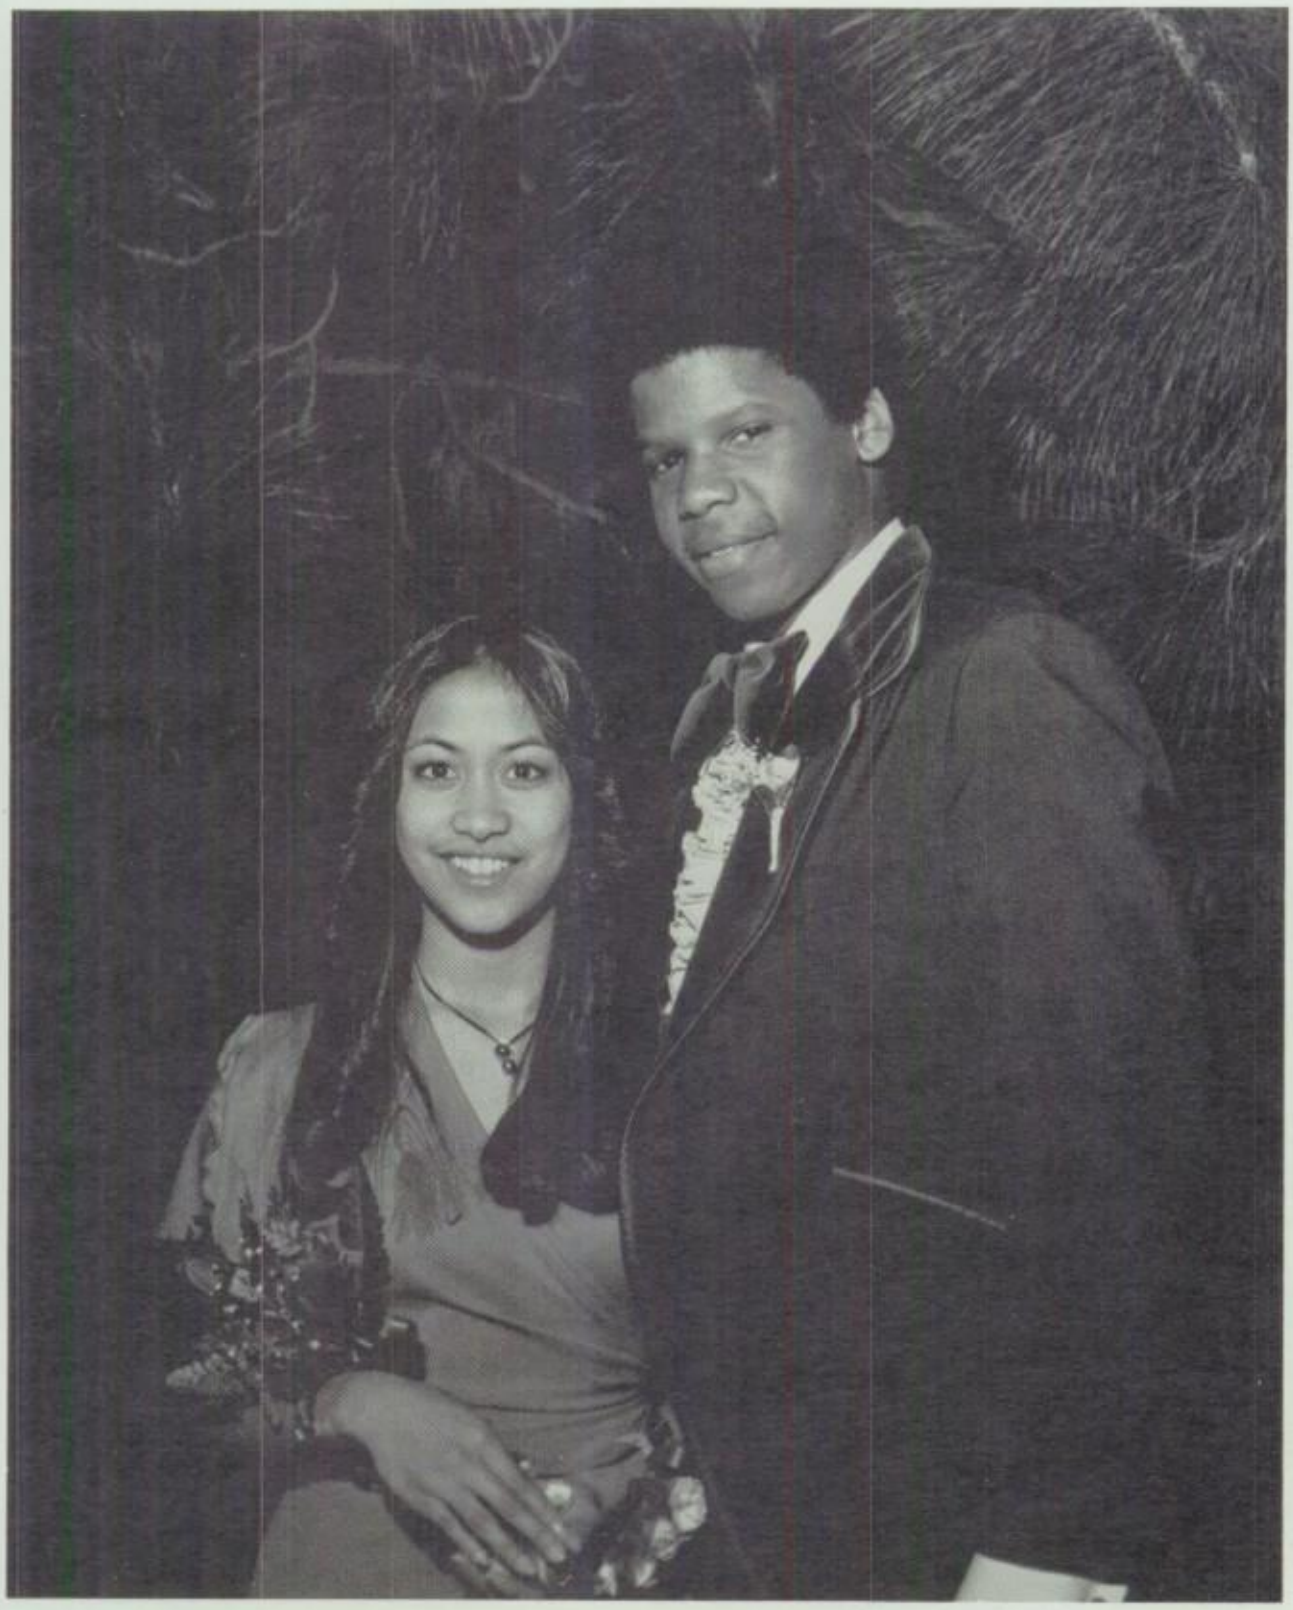
"Just to be Close to You"

The Sweethearts' Ball, held at the Catamaran, the colors being "shades of green", had an unusual twist; there were two queens. People dancing to the sounds of "Seventh Wonder", couples on the terrace "enjoying the view", and maybe others watching "I Love Lucy" reruns were wondering, "Who will be king and queen?" At 9:30 the music stopped; couples strolled off the terrace; the people at home were watching "Alice". Some ticks of the clock later came the customary fumbling with the envelope, then the news, "Bobby Stokes, Sharon Clark . . . and Colleen Goto!" Manuel Rodriguez, A.S. B. President, and Celina McShea, chairman of the Sweethearts' Ball, crowned them. Reactions included Bobby's "This must be really neat, I'm the only guy who has two queens!" and Celina's "This is great. The first time we had two queens, and it's my year." During the dance to the theme, "Just to be Close to You", Bobby danced first with one queen, then the other. Having two queens was not the only unusual event; while being crowned, the crown fell off Bobby's head. After all the dances were danced, and all the songs had been played, the lights went down in an empty ballroom in which many unique and happy memories were created earlier in the evening.





Queen Sharon Clark is the A.S.B. Commissioner of Public Relations, a member of the volleyball team, Senior Class Council, and Vocal Ensemble. She enjoys the friendships of people whom she'll never forget. Her favorites include: photography, singing, and playing the guitar. Her ambition is to work in the National Parks System.

King Bobby Stokes is center for the Su-Hi Varsity Basketball Team, a member of the baseball team, Senior Class Vice-President, and active in ensemble. His favorites are: Stevie Wonder and mellow music, Mrs. Charles, the color blue, lasagne, and Karen. He enjoys playing pinball, bowling, and fishing. Bobby's philosophy is "To make people smile and be happy".

Queen Colleen Goto is a cheerleader and A.S.B. Commissioner of Finance. She is a member of the Senior Class Council, and C.S.F. She enjoys playing the accordian. Her favorites include: "the colors of spring", Mr. Partch, and a variety of food and music. Colleen.would like to become a C.P.A. and speak fluent Spanish, English, and Japanese, so that "I may better help others around me with my business background and trilingual abilities."

Orchestra, Band Move On

Violins, trumpets, cellos and drums. What do they all have in common? They are all part of the stage band or orchestra. Led by Mr. Steve Parker, the orchestra played at many local concerts and festivals. Some of the places the stage band has played include festivals, halftime shows, and the Christmas assembly. They have also performed at a local convalescent hospital. This year Mr. Parker led them at the Maytime Band Review awards assembly.

Ski Bunnies 'Dig' Slopes

"Anticipation" could be the theme song for the newly formed Ski Club. They had to wait until after Christmas to go skiing because all the nearby, easily accessible slopes were barren of snow. But after christmas, they made four trips to Big Bear, where they stayed at advisor, Mr. Bill Yensen's cabin. We asked about the club's outstanding activities Mr. Yensen replied "Skiing".

Les Cherettes Look for Legs

Les Cherettes, a social service club, looked for something different: hairy legs. They found them on Coach Zarecky. President Myrna Zambrano and Vice-President Susan Story and other members gave a turkey dinner with all the trimmings to a family in need at Thanksgiving and for Christmas they handed out candy Santa Clauses to the faculty.

Su-Ette Spirit Shown in Skits

If you've ever seen "far-out-hippies", "swabbed-out-swabs" or "surfed-our-surfers" hanging around Su-Hi and wondered what this school was coming to, you can take it easy. They were members of Su-Ettes. Su-Ettes is a service club and those disguises were all parts of the skits put on to wake-up and instill spirit to Su-Hi. Although fun and games played a majority role in the club, they also collected food and clothes for poor families at Christmas time.

Voilá le 'Club Francais'

The newly-formed 30 member "club francais" consists mainly of first and second year French students who want to learn more about "la culture francaise." They went to "le restaurant che francais", to experience French cuisine. They also went on a "piqnique" and "aller a-la-plape (went to the beach). The French II students went to "le camp francaise" at Camp Cuyamaca for a weekend in May where they could speak only French. Members prepared a French breakfast for the school; it consisted of crepes and "cafe au lait".

Peer Counselors

Something good, something bad, something happy, something sad. Many students felt these things and wanted to talk them over with someone besides a parent, friend or counselor. Who was there to talk to? Peer Counselors. This group of 11 students had the knowledge to help other students who wanted their advice, and best of all they kept it confidential.

Girls' League is now Campus League

Dancing cheek to cheek, there you were at the Sweethearts' Ball with the guy that you so bashfully asked, and having one of the greatest times of your life thanks to Campus League! Sweethearts' Ball is one of the many activities sponsored by Campus League. Other activities carried out by the 30 member club include the selling of Homecoming corsages, flowers, Thanksgiving cookies, and the sponsoring of the canned food drive. An upset in the traditions of Sweetwater came this year when the passing of an anti-discrimination act kept Campus league from putting on the annual Big Sister- Little Sister Tea.

N.F.L. Speaks Out

The N.F.L., or National Forensic League, not National Football League as was long thought, is thriving on Su-Hi's campus. They hosted a novice tournament in October which 20 schools attended. They themselves attended many local tournaments, and took the Class AA Sweepstakes trophy at the SDSU Forensic Tournament. They also traveled to the campuses of Cal State, Fullerton and Cal Poly Pomona to compete in tourneys. This year's officers were Mark Brandon, President; Albert Martin, Vice-President; and Bryan Johnson Secretary and Treasurer.

C.S.F. Sets the Pace

The California Scholastic Federation, or C.S.F., is a club consisting of students that maintain a high grade point level. They must earn a certain number of grade points each semester to remain a member. These points are earned in classes that are accepted by the C.S.F. The club, which is advised by Mr. William Stewart, sponsored coffee sales at the adult school to raise money for scholarships and for their annual banquet at which they honor seal bearers. To become a seal bearer, one must be a member of the club for five semesters, one of them being in their senior year.

Su-Hi News Informs Campus

SU-HI NEWS, the bi-weekly news publication had the presses rolling full speed this year. "We really had a high quality newspaper with better photographs," claims Advisor, Mrs. Susan Zimmer. The purpose of SU-HI NEWS is to serve the school with reports on important happenings and sporting events on campus and in the community. They also ran editorials on pressing issues, reviewed movies and concerts, and made an "attempt at humor" with a column called "Hill's View". Again they had an April Fool's Day issue called SU-HI NOOSE. Editor-in-chief was Sev Reyes.

Serendipity Opens Drama Season

Three evenings of "Serendipity" were presented by Su-Hi's Drama Dept. The various scenes included two which won awards at the Southwestern Scene Festival, and "The Grinch Who Stole Christmas" presented by the faculty. The musical, "Matchmaker", was chosen as the year's spring production. Its successful turnout each night proved a cast of real stars. The International Thespian Society widened its membership by the growing interest in drama here at Su-Hi. Students gained membership by performing, crewing or ushering at the Old Globe.

The groups also visited the Capitol where they saw the legislature in session. Albert is active on the Su-Hi varsity tennis team, he's also on Su-Hi's speech team. Myrna was named National City's Junior Miss in which, she played the piano, a favorite pastime.

AFS Sponsors Exchange

Dear Friends and students at Su-Hi,

I've been here since September 76 and I really love it! I met a lot of different people, I hope I'll meet more, they have been very nice to me. At the beginning, I had a hard time and I thought I'll never learn English and never make friends, but I am just fine now. The school here is kind of fun. There's a lot of different and nice activities going on and the people are crazy in a fun way! The life in the States and the people are very different from Brazil, but I am already used to it and I like it a lot. I am having a very great experience and I am learning more every day. I am very glad to be here and maybe I'll stay to go to college.

Senate Sets Stunning Example

A precedent was established in this year's Senate; that being in the Student Govt. class which was created in order to allow Senators to carry out their duties more effectively and thoroughly. Senators served as a means of communication between administration and students. The Senate did an admirable job of handling this assignment.

Imps and Devils Earn Service Awards

Sometimes we overlook the "little" things that help make Su-Hi a success. Imps and Devils is a group of students who do volunteer work such as working tickets, concession stands, homecoming, and other school service projects. After 5 hours of work in a semester a student may become an Imp. After 15 hours, he qualifies as a Devil.

Marching Units — New Sound

The school hymn and Marching Band were updated and improved by new Band Director Mr. Steve Parker. The Uniform Groups were led by Ms. Linda White. Their red and silver capes enhanced the band in parades and accompanied them in four halftime shows. Many innovations were added to halftime shows. The Uniform Groups had a new look; holding flashlights, they did their routine in the shape of a clock. Led by Drum Major Tom Stark, the band had a new sound this year. They played such contemporary hits as "Hey Jude" and "A Fifth of Beethovan", accompanied by Matt Davis on keyboards and Billy Gonzales on bass.

Pep Club, Band Raise Spirits

Such hits as "Anchors Aweigh" and "Popeye the Sailorman" were played by the "Suicide Squad", members of the pep band who put on halftime shows at away football games. The pep band boasted 20 members and showed the Devils' spirit by playing at pep assemblies, away football games, and basketball games.

The 96 persons you may have seen and heard in the stands cheering section wearing gray or white, T-Shirts with red devil insignias were obviously Su-Hi's Pep Club. The President is Terri Richardson; Vice-President is Lisa Sanders. Members were active in money raising activities this year to buy their T-Shirts and club buttons. They cheered at all football and basketball games.

- *Choir and Ensemble*

If by chance you have walked past room MD1 and heard strange noises such as "Hooahka", "mi me,ma,mo, moo", "foil paper" and "tuck your tail", you needn't be worried, it was the Choir and Ensemble members following along with advisor Mrs. Laura Charles. The purpose to those sounds is to develop the singing muscles for participation in state and county festivals, district music concerts, and the Christmas musical. They worked on variety show, and performances at service clubs, convalescent hospitals, and churches. Two big activities for the group this year were a trip to Dorothy Chandlers Pavilion in Los Angeles and a joint Christmas program with Bonita Vista High School.

Varsity Squad Boogies On

If you have ever thought you heard the Varsity Pep Squad yell: "Let me see you itch and scratch", and "What's that you say?". You've heard right. However, that's only part of the many spirited cheers performed by the Varsity Squad. Ever wonder why they were so good? Maybe it was because along with the long hours of practice they put in, they attended Cheerleading camp at U.C.S.D. in August. Did you ever notice two pair of unusual looking legs on the field? They belong to yell leaders Paul Hill and Mike Liegel, the first male yell leaders since 1973-74. With the help of Mrs. Laura Charles, the squad was very active this year. They participated in athletic events and pep assemblies bringing spirit to Su-Hi. On the side they did some service projects for Muscular Dystrophy.

J.V. Squad Whoops it Up

Let's play a little guessing game: The time is 3 p.m. on Fridays, the first three months of the year. The place is the football field, and the participants are five girls in red & gray uniforms shouting, "Let's take a ride on the Devils Locomotive". The answer is of course, the J.V. Cheerleaders. Besides cheering in the afternoons, they went to cheerleading camp, and did service projects for Muscular Dystrophy.

Below: Su-Hi's "Castle Park Cheerleaders" doing their thing during a pep assembly. Left to right are: Michel Chenelle, Sharon Merrow, Sandy and Mandy Richardson and Aurora Licudine.

Homecoming Night Stirs Up Excitement

"The score is still 0-0; halftime is never going to get here! Hey did you hear about....? A lot of Alumni Cheerleaders showed up tonight. All right! It's halftime! The band sounds great, huh?! Finally! Here come the Queen Candidates; oh how neat, their dresses match the cars. Hey! Sit down, We can't see!" One of the many conversations in the stands on Homecoming night might have sounded like that. The air was filled with excitement as uneasy spectators awaited the halftime and crowning of the new Queen. As candidates Mariam Balough, Grace Bernal, Annette Manglicmot, Helen Murray, and Debbie Tinker were escorted onto the field by their fathers, the announcer told the audience about each girl and her future plans. Finally came the big moment when Grace Bernal was announced as the 1976-77 Homecoming Queen, and last year's Queen Bette Whittemore crowned her. The night had a happy ending as Sweetwater won the game over Mar Vista, the score 9-0. Many attended the Homecoming Dance including alumni.

Led by team captain, David McDaniel, the grapplers finished their season in fifth place with a 4-4 record. "We should have won the title and been undefeated," commented Coach Hull. "We started out very strong considering the inexperience of the team. Our losses were not due to lack of ability or that we were beaten by superior teams but through our own fault. Even though it was a "very disappointing season," there were some very good wrestlers.

The Red Devil football team had the potential to be one of the best in the county; that was proven by taking the Metro League banner. They also proved that even though we had not had a championship team since '72, we were still a league powerhouse. The gridders had one of the best offensive and defensive teams in the county, outscored opponents 294-69, and shut out five of their adversaries. They completed their season with impressive 9-2 overall, and 8-1 league records.

The first four games of the season saw a tight race for the league top spot between Chula Vista, Montgomery, and Su-Hi; all had identical 4-0 records. Devil wins came from Marian, 14-0; Castle Park, 21-6; Southwest, 60-0; and Bonita Vista, 30-0. The Devils remained in first with Chula Vista, both having perfect records, for the next three games, with wins over Hilltop, 21-7; Montgomery, 19-14, and Mar Vista, 9-0. During the eighth game Coach David Lay's gridders suffered their first defeat, a heartbreaker to Chula Vista, 29-13.

Due to an ineligible player, Chula had to forfeit four previous games. Su-Hi retained first place alone, wrapping up the title. The last league encounter turned out to be an easy win over Coronado, 44-0.

The week before the playoffs proved to be one of confusion, Chula Vista took their case to court, and it was not known whether we would play Montgomery or Marian. As it turned out, Su-Hi demolished Marian again, 35-6. In what was to be their final game, the gridders played a tough Kearny team in the second round of the playoffs. They came up on the short end, 28-7. But still we should be proud, because, WE ARE THE METRO CHAMPS!

JV Football kept up their winning tradition. Under the coaching of Dave Lay, and the quarterbacking of George Stoutenberg, the JV gridders coasted to a perfect 9-0 record, and were tops in the league. The defense, with the help of good coaching and fine linebackers, held their seasonal opponents scoreless until the fourth game of the season when Mar Vista scored 16 points.

Volleyball Comes Close

The story of the volleyball team is one of youth and inexperience. Varsity came in 7th with a 3-15 record, but JV fared better. They were 8-10 and came in 4th. A few standouts included Sherri Phillips who made All-Metro second team, a first for Su-Hi, and Aileen Reyes and Barbara Roberts on JV. Although they had a hard Coach Pam Lewis was satisfied with her squad's performances, especially against league-leading Hilltop where they failed to win the match but won the first game.

"The season started out slowly," Coach Hull said, "but I've never seen any athletic team improve so much in such a short time." Led by Rick Maniss, who made All-Metro first team, the water polo had one of it's most successful seasons. Their best game was their last one of the season against Coronado, the league leader. They held the Islanders scoreless for 1 quarter, but unfortunately lost 9-7. Coach Hull summed it all up by saying, "I was really satisfied with the team."

Last year, Coach Gary Zarecky made the word "Basketball" a more familiar word around Sweetwater. This year, he has made it a household word. The Devil cagers placed third in the league, and again went to the playoffs. Going to the playoffs two years in a row is something a Devil basketball team has not seen since the '50's. Height was one of the best things going for the team. Five players were over 6 feet tall. The team found experience in returning senior lettermen Bobby Stokes playing center, and David Apodoca at guard. They also had three sophomores on the team, James Davis, Mike Pitts, and Tom Slavinsky, which is quite unusual. But experience and height don't necessarily make a good team; it takes team unity and school spirit, and Su-Hi was not lacking in these fields. "We surprised a lot of teams," commented center Bobby Stokes. "And one reason is because we have a lot of team unity and spirit which helps during the games." Coach Zarecky expressed his gratitude to the fans by saying, "The fans had a tremendous impact on the success of the team."

J.V. Sets Record for Wins

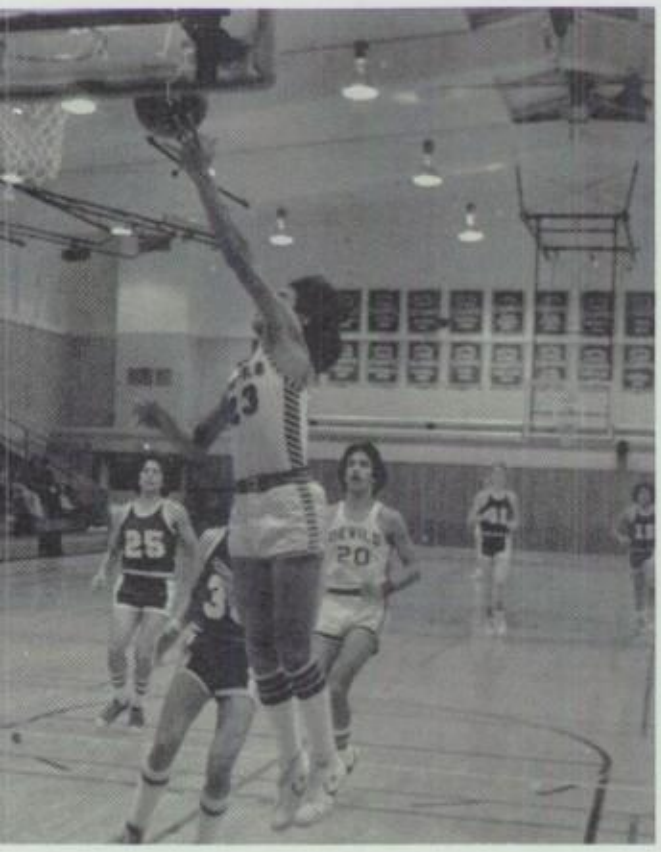
The J.V. basketball team fought a long hard season, and through the skill and experience of its athletes, it had a winning season. Team captain, David Kibodeaux, led the cagers to a Metro League title, with a 16-2 league record. Their overall record was twenty-three wins and three losses—an all time school record for most wins. They also came up as champions in the Coronado Invitational Tournament. Coach Miller expressed his happiness with the saying, "These are the greatest bunch of guys I've had the privilege of coaching."



Softball Strong on Come-from-Behind

"Great season!" exclaimed softball Coach Marieanne Perrault. "The team really worked hard and never gave up. I enjoyed coaching these gals. We had a lot of fun. I hope to see them at the top of the league next year." Twice the team played against a tough Hilltop team and stuck with them all the way, only to lose. But strong players such as pitchers Diane Dixon and Kathy Boulette, left fielder Sheri Phillips, and Jeannie White on third base made possible such games as a come-from-behind win over Coronado. The score was 7-2 in the beginning, but the Devil sluggers came back to win 9-7. As in past years, the team finished in the top half of the league.

Devil Dribblers Remain Strong

Night games and a JV team were new additions to the girls' basketball team. Led by returning lettermen Kim Canavan, Naomi Smith, and Elaine Mangosing, the team was "tops in the league in sportsmanship, tenacity, and spirit," according to Coach Anderson. The team worked on depth, better conditioning, and a higher percentage in shooting.

The gymnastic team has been described as "Fantastic." Schools like Chula Vista, Montgomery, and Bonita Vista provided tough competition, but the team made it through the season with Kathy Lee on the uneven parallel bars, Stella Ungab on the beam, Cecilia Mendivil doing the floor exercises and Liz Cuesta on the beam. All the team members were talented, agile and had team spirit. Much credit must be given to their new coach Mr. Pam Moorehead.

Tennis Strong in Doubles, Singles

"Game, set, and match to the Devils" was a cry heard often by the boys tennis team. Led by returning Metro champ Franklin Del Rosario, in singles, and Phet Peterson and Joe Sales playing doubles, the team was wellrounded, and provided a lot of competition in the Metro loop.

"Game, set, and match to the Devils" was a cry often heard by the boys tennis team. Led by returning Metro champ, Franco Del Rosario in singles, the team was well rounded, and provided a lot of competition in the Metro Loop. It was one of the toughest in the county, having two of the top five teams in the county in it.

"Fly", "breast", "free", and "back". what do these all have in common? They are the four strokes in competitive swimming: butterfly, breaststroke, freestyle, and backstroke. Contrary to popular belief, sidestroke, dogpaddle, and elementary backstroke are not "official" strokes. The Metro League was one of the toughest, having two of the top ten teams in the county in it, Hilltop, and Coronado. But led by team captain, Lisa Sanders, and co-captain, Ken Tessen, the 40 member-strong team faired well throughout the season. The team had a few top swimmers that really stood out: Lisa Sanders, Ken Tessen, Oliver German, and Mike Myers, captain of the divers. According to Coach Pam Lewis, one of the few female coaches in the county, "The team didn't enter the season with much ability, but were willing to try and learn, and progressed quite well. Considering all the problems we had with the pool, having to get up at five and practice with other teams, we've done quite well."

Baseball Under New Management

The competition in the Metro League was plenty tough, but through endurance and team spirit the team held up. Though the team as a whole was average, according to Coach Bill Miller, there were some individual successes, such as captains Kenny Miramontes and Mike Aguon in the infield, and Jose Jarin in the outfield.

The boys' track team found strength in numbers; there were 85 members, a fairly large team. The team was a league powerhouse, according to Coach Alan Duke. "The top three teams in the league were Bonita Vista, Castle Park, and Sweetwater. This team had the potential to be the best we've had in years. Our strengths were the sprints, the 440, and the overall field events." Track, while being a team effort, is also an individual sport, and many individuals stood out: Frank Curz, Mark Rodriguez, Derrick Morris, and Brian Roberti who broke the school record in the high jump.
